

General Costume Notes:

- All members will wear their black dance shoes. Unless stated otherwise,
 all members should have black crew socks to blend their shoe to their pant (no skin showing)
- Be mindful of your undergarments (neutral colours, base layer for costume changes as well to aid in getting mics on/stage hands)
- Consider introducing antiperspirants as our Actors experience nerves, stage lighting, choreographed numbers, and shared costumes, in close corners
- Hair is to be complete with hairspray, gel, bobby pins
- Makeup (including foundation, blush, mascara or false eyelashes, lipstick and darkening the
 eyebrows for light hair) is required for all Actors regardless or age/gender to help define their features
 under the harsh stage lighting and distance of the audience
- Fab finds! When looking for you costume pieces we suggest checking: your closest, second hand stores (Once Upon a Child, Plato's, Salvation Army), looking in different sections of your favourite stores (boy's section, different sizes, etc.)
- Keep in mind, MYTP may be adding pieces, trust the process!
- We have included photos for the "vibe" or some inspiration not exact pieces! Do not hesitate to reach out if you have any questions.
- ALL costume requirements are due by photo submission (<u>mytpinfo@qmail.com</u>) by May 1st
- ALL costume requirements will be worn in rehearsals beginning May 4th
